A PERFECT WORLD

DIFFA/Dallas Collection launched its 20th anniversary year with a famously fun party celebrating this year's theme, "Utopia." The kickoff celebration, held at One Arts Plaza, got design-minded guests buzzing about the upcoming collection and rounded up donations to add to its \$30-million pot of contributions. The fête featured music by Garrett Weiss, and Dali Wine Bar & Cellar, Fedora, Jorge's Tex Mex, Screen Door and Tei An offered up tasty party fare. —Sarah Calodney
